## On-line Registration A Great Success!

Approximately 70% of registering students used the new Banner system in some way, with over 2000 students actually registering on-line.

With on-line registration starting June 17th, the LSCC staff spent most of the summer making Fall Term registration a success. Just a few members of the hard working team were (photos, top to bottom): Staff Assistant Pam Heubach, Director of Student Development Dr. Sherie Lindamood with a student, Receptionist Doreen Murphy, Kelli Colborne, Coordinator of Enrollment Services with student worker Manisha Sikka, and Diplomat Becky Ginn.

## LSCC Summer Camps

LSCC's Continuing Education Office sponsored its second annual **Young Writers' Camp** on the Leesburg Campus, July 22 through 31. Twenty 4th through 8th grade students enjoyed a wide range of exercises and projects, which were proudly presented to an enthusiastic audience the last day. Program Manager Cathy Meléndez (above) posed with some of the Camp's creative participants.

Cathy also reports that LSCC had its highest enrollment in the history of **Kids' College** this summer, serving 905 students, with 1835 session enrollments. Twenty-six camps and 42 classes were offered from June 3rd through 27th on the Leesburg Campus, and July 8th through August 1st on the South Lake Campus.

Kudos to Cathy, Noela Banta and student Marielle Shoffstall for their hard work in organizing and operating these popular programs.

## In The News...

**Suzanne Shaffer** became a first-time grandmother yesterday, August 28th. Riley Morgan

Shaffer was born to Suzanne's son Allen and his wife Kim. Riley weighed 8 lbs., 6 oz. and is 21 3/4 inches long.

**Gloria Paproski** completed the requirements to earn Microsoft's newest certification, MCSA (Microsoft Certified Systems Administrator). This required passing 4 exams and lots of studying.

**Terry Longordo** reports that LSCC-TV is now airing in the South Lake area and Sumter County on Time Warner Cable's channel seven.

## From The President...

We are off to a great start on the new academic year. It was exciting to welcome everyone back at the

Convocation, and the planning week was full of valuable seminars and meetings. I believe we were ready for the students to arrive.

I want to commend our student services, financial services, and information services staff for a successful launch of LOIS, our on-line registration system. We were able to register nearly 70% of our fall semester students on-line. There were remarkably few problems when you consider this was our first time around. Many colleges have been using the web, but few of them can boast such high rates of utilization. I also want to say that our staff has done a tremendous job of welcoming, registering, advising and counseling students, as well as making possible their awards of financial aid, and finally, paying their bill. These folks served hundreds of students each week and still managed to keep a smile and a helpful touch. Student success begins with our first contact with our students, and the staff has given us a terrific start.

Our LSCC Foundation is also starting a new year. It is already hard at work planning events and fundraisers under the leadership of Board President Rosemary Purdum. The Foundation welcomed eleven new members and is grateful to its 24 returning Directors for their contribution of time and effort for another year. Last year the Foundation provided nearly a quarter of a million dollars in scholarships to our students, and over \$91,000 to support faculty projects and equipment. We are deeply indebted to our Foundation volunteers and the donors who support our mission.

As I mentioned at Convocation, the Florida Association of Community Colleges is a unique organization that represents all of our interests in Tallahassee; provides professional development opportunities, and links us to networks here at home, as well as on the regional and state levels. I believe my experiences in FACC enabled me to develop my leadership skills and prepared me to assume leadership roles in my college. I hope you will sign on as a new member or rejoin for the coming year. It's a worthwhile investment of a few dollars a month.

**Welcome Receptions for President Mojock...**Community members will have the opportunity to meet Dr. Mojock when each of the three campuses host receptions on consecutive Thursdays, from 5 until 7 P.M. LSCC faculty/staff are cordially invited.

**Leesburg** - Sept. 5, Magnolia Room • **Sumter** - Sept. 12, Community Room  
**South Lake** - Sept. 19, Higher Education Facility Board Room

## Back-To-School Activities

**August 20...**

The Library staff hosted an Open House where

Rhonda Smith (top photo, l-r), Suzanne Shaffer, Scott Pennington & Nora Rackley demonstrated on-line services to a student.

Diane Graziani (above photo) conducted a Title III sponsored focus group on retention strategies for English, reading and math instructors.

SCT instructor Chris Lorenz (left, l-r) conducted a Banner workshop. Attendees included Loretta Campman and Shirley Revels.

FACC sponsored an Ice Cream Social in honor of our new President on August 23rd. Diane Graziani (center photo above) brought her Supplemental Instruction Program student facilitators (l-r), Latoshia Ousley, Deborah Barnes, Amber Owen, Diane and Tina Hickman. FACC hostesses (above, l-r), Linda Means, Patti Weasel, Suzanne Jones, Gloria Filippello, Berni Hebrock and Shirley Schley posed with guest of honor Dr. Chuck Mojock, while faculty members Dave Summers (above, l-r), Bret Taylor, Pete Kehde, Judy Hayes and Sherry Savrda enjoyed the treats.
